

## WORLD WRESTLING MEDICINE CONFERENCE

# CALL FOR ABSTRACT

\*\*\*\*\*

Corsier-sur-Vevev, 10 May 2019

The 2019 UWW World Wrestling Medicine Conference calls for abstract submission.

Invited abstracts will be considered for the podium presentation. The Conference is focused on **wrestling medicine**, and we encourage abstracts to be submitted within all medical fields related to wrestling and wrestlers health. This includes studies on epidemiology, risk factors, injury prevention, injury mechanisms, pathophysiology, wrestling specific medical conditions, intervention studies, healthcare monitoring, relevant biomechanical studies, studies on sports behavior and attitudes, nutrition and anti-doping.

### GENERAL INFORMATION

- The deadline for abstract submission is 30 August 2019.
- The abstract must be written in English. If English is not your first language, please have it reviewed by a language editor.
- Authors will be informed of the decision of the Scientific Committee by September 10, 2019.
- Make the title brief, but informative, clearly indicating the nature of the investigation/presentation.
- Objective data **MUST** be included so that the reviewers can make a fair and meaningful appraisal.
- Abbreviations are allowed but must be clearly defined.

### ABSTRACT BODY

The abstract cannot be longer than 300 words and must be structured, using the following headings and including the following information:

- **Background:**  
Provide the background for the study in one or two sentences.
- **Objective:**  
State the main question or objective of the study and the major hypothesis tested, if any.
- **Methods:**  
Indicate the study subjects, setting, interventions, and experimental setup.
- **Results:**  
Report the main findings of the study.
- **Conclusions:**  
State only those conclusions of the study that are directly supported by data, along with their clinical application (avoiding overgeneralisation) or whether additional study is required before the information should be used in usual clinical settings.

Please download and fill one “2019 MCA Form” [here](#) for each abstract submission and send it to the following e-mail by the deadline (30 August 2019):
